

MOMENTUM REHAB

www.momentumrehab.com.au

Momentum Rehab was established in 2004 as a privately owned and operated Rehabilitation Provider.

As a Registered NDIS Provider, we provide high quality, individualised support for people with disability, their families and carers. We provide a “whole-of-life” approach to support achievement of goals for daily life participation.

Our team of NDIS Registered Occupational Therapists have extensive experience in the rehabilitation and community services industry. Using a collaborative approach with all parties, we are specialists in providing Occupational Therapy services across a variety of circumstances.

Specialised Services

- Complex and Minor Home Modifications
- Assistive Technology Assessments / prescription
- Seating Assessments
- Pressure Care
- Activities of Daily Living capacity building assessments and plans
- Manual handling assessments

Helping you reach your potential

Once you have received an active NDIS Plan from the NDIA which includes Occupational Therapy assessment / intervention, simply submit an online Referral Form and provide us with a copy of your NDIS plan and we will be pleased to assist.
